

Wimborne Rd...looking south near the corner with Cowper Rd

This view was taken from the top deck of a trolley bus travelling south in September 1966, That's Morse and Sons estate agency on the corner of Cowper Rd, with Bradley's confectioners and Bennett's greengrocery behind (by the side of the bus). On the opposite corner with King George Ave, is Meech the grocers. Notice that all the buildings beyond Meech's (up to the newsagents on the corner of Queen Mary Ave) are still private houses with walled front gardens. These were only changed into commercial premises during the 1970s.

The same view today. Still an estate agency on the Cowper Rd corner. All the premises on the opposite side are now commercial.....
